# How We Handle Your Complaint

Liquid Friday operates a three-stage complaints handling procedure. Following our Complaints Procedure, our aim is to always resolve Complaints to your satisfaction at Level One without further recourse to Level Two or Level Three. If you are not satisfied at the end of Level One, you may escalate your Complaint to Level Two. If you are not satisfied at the end of Level Two your Complaint may be escalated to Level Three at which point it will be handled by a Board Level Director. If you are still not satisfied at the end of Level Three, Complaints may progress to External Resolution as detailed below.

## Level One

- a) Upon receipt of your Complaint, the Head of Customer Experience identified above in Section 'Making a complaint' will log the Complaint in our CRM and will acknowledge receipt of it in writing within 2 days, giving you a Complaint Reference.
- b) When we acknowledge receipt of your Complaint we will also provide details of your Level One Complaint Handler. This may be the Head of Customer Experience to whom your original Complaint was directed (as above) or your Complaint may be referred to another appropriate member of our team.
- c) If your Complaint relates to a specific employee, that person will be informed of your Complaint and given a fair and reasonable opportunity to respond. Any communication between you and the employee in question should take place only via the Level One Complaint Handler and we respectfully ask that you do not contact the employee in question directly concerning the Complaint while we are working to resolve it.
- d) If we require any further information or evidence from you, the Level One Complaint Handler will contact you as quickly as is reasonably possible to ask for it. We ask that you use reasonable efforts to supply any such information or evidence quickly in order to avoid delaying the complaints handling process. If you are for any reason unable to provide such information or evidence we will use all reasonable efforts to proceed without it, however please be aware that we will not ask for further information or evidence unless we consider it important to the successful resolution of your Complaint.
- e) We aim to resolve Level One Complaints within 5 business days, however in some cases, particularly if your Complaint is of a complex nature, this may not be possible. If this is not possible for any reason you will be informed of the delay, the likely length of the delay and the reasons for it.
- f) At the conclusion of the Level One complaints procedure, regardless of the outcome, we will provide you with full details of our investigation, our conclusions from that investigation, and any action taken as a result. You will also be reminded of your right to appeal our decision and escalate the complaint to Level Two.

## Level Two

- a) If you are not satisfied with the resolution of your complaint at Level One, you may request that the Complaint be escalated to Level Two within 5 business days, where your Complaint will be handled by management level members of our team.

- b) Escalation requests, quoting your original Complaint Reference, should be directed to your Level One Complaint Handler who will forward the request to an appropriate Level Two Complaint Handler. Receipt of escalation requests will be acknowledged in writing within 2 business days. When we acknowledge receipt of your escalation request we will also provide details of your Level Two Complaint Handler.
- c) If your Complaint relates to a specific employee, that person will be informed of your Level Two Complaint and given a further opportunity to respond. Any communication between you and the employee in question should take place only via the Level Two Complaint Handler and we respectfully ask that you do not contact the employee in question directly concerning the Complaint while we are working to resolve it.
- d) If we require any further information or evidence from you, the Level Two Complaint Handler will contact you as quickly as is reasonably possible to ask for it. We ask that you use reasonable efforts to supply any such information or evidence to us quickly in order to avoid delaying the complaints handling process. If you are for any reason unable to provide such information or evidence, we will use all reasonable efforts to proceed without it, however please be aware that we will not ask for further information or evidence unless we consider it important to the successful resolution of your Complaint.
- e) We aim to resolve Level Two Complaints within 10 business days, however in some cases, particularly if your Complaint is of a complex nature, this may not be possible. If this is not possible for any reason you will be informed of the delay, the likely length of the delay and the reasons for it.
- f) At the conclusion of the Level Two complaints procedure, regardless of the outcome, we will provide you with full details of our investigation, our conclusions from that investigation, and any action taken as a result. You will also be reminded of your right to appeal our decision and escalate the complaint to Level Three.

## Level Three

- e) We aim to resolve Level Three Complaints within 25 business days, however in some cases, particularly if your Complaint is of a complex nature, this may not be possible. If this is not possible for any reason you will be informed of the delay, the likely length of the delay and the reasons for it.

- f) At the conclusion of the Level Three procedure, regardless of the outcome, we will provide you with full details of our investigation, our conclusions from that investigation, and any action taken as a result. Our decision at this stage is final, subject to your right to seek External Resolution of your Complaint.
- g) As we are a member of the Freelancer & Contractor Services Association (FCSA) you, as our customer, have the right to seek External Resolution of your Complaint from that organisation if you are not satisfied with the outcome of your Complaint at Level Three.
